How has the fund performed?

This section tells you how this class of the fund has performed over the past 10 years. Returns are after expenses have been deducted. These expenses reduce the class' returns.

It's important to note that this doesn't tell you how the class will perform in the future. Also, your actual after-tax return will depend on your personal tax situation.

Average return

As at May 31, 2012, a person who invested \$1,000 in this class of the fund 10 years ago now has \$2,764. This works out to an annual compound return of 10.7%.

Year-by-year returns

This chart shows how the class has performed in each of the past 10 completed calendar years. The class dropped in value in 1 of the 10 years.

How risky is it?

When you invest in a fund, the value of your investment can go down as well as up. BMO Investments Inc. has rated this fund's risk as Medium.

For a description of the specific risks of this fund, see the simplified prospectus offering this class of units of the fund.

Who is this fund for?

Consider this fund if:

- you want to maximize your after-tax income
- you want an income-producing investment
- you are looking for exposure to Canadian securities for your portfolio
- you are comfortable with medium investment risk (i.e. you are willing to accept fluctuations in the market value of your investment).

Before you invest in any fund, you should consider how it would work with your other investments and your tolerance for risk.

Are there any guarantees?

Like most mutual funds, this fund doesn't have any guarantees. You may not get back the amount of money you invest.

A word about tax

Depending on the tax rules and tax rates that apply to you and the fund, you may have to pay tax on your portion of the fund's earnings and gains, whether paid out to you in cash or reinvested in the fund. Also, you may have to pay tax on any gain you realize when you redeem or sell your investment in the fund. However, if you hold your investment in a registered account such as a Registered Retirement Savings Plan or a Tax-Free Savings Account, generally you will not have to pay tax on earnings or gains that are held in the registered account.

How much does it cost?

The following section describes the fees and expenses you could pay to buy, own and sell Classic units of the fund.

The fund has other classes of units. The fees and expenses are different for each class. You should ask about other classes of units that may be suitable for you.
