What does the fund invest in?

This fund's objective is to generate income and provide long-term capital growth by investing primarily, directly or indirectly, in Canadian equity and fixed income securities.

The charts below give you a snapshot of the fund's investments on September 30, 2022. The fund's investments will change.

Top 10 investments (September 30, 2022)

Investment mix (September 30, 2022)

This information is not available because this fund is new.

How risky is it?

The value of the fund can go down as well as up. You could lose money.

One way to gauge risk is to look at how much a fund's returns change over time. This is called "volatility".

In general, funds with higher volatility will have returns that change more over time. They typically have a greater chance of losing money and may have a greater chance of higher returns. Funds with lower volatility tend to have returns that change less over time. They typically have lower returns and may have a lower chance of losing money.

Risk rating

BMO Investments Inc. has rated the volatility of this fund as **low to medium**.

Because this is a new fund, the risk rating is only an estimate by BMO Investments Inc. Generally, the rating is based on how much the fund's returns have changed from year to year. It doesn't tell you how volatile the fund will be in the future. The rating can change over time. A fund with a low risk rating can still lose money.

For more information about the risk rating and specific risks that can affect the fund's returns, see the "What are the risks of investing in a mutual fund?" section of the fund's simplified prospectus.

No guarantees

Like most mutual funds, this fund doesn't have any guarantees. You may not get back the amount of money you invest.

How has the fund performed?

This section tells you how Series T6 units of the fund have performed since inception. Returns are after expenses have been deducted. These expenses reduce the series' returns.

Year-by-year returns

This section tells you how Series T6 units of the fund have performed in past calendar years. However, this information is not available because the fund is new.

Best and worst 3-month returns

This section shows the best and worst returns for Series T6 units of the fund in a 3-month period. However, this information is not available because the fund is new.

Average return

This section shows the value and the annual compounded rate of return of a hypothetical \$1,000 investment in Series T6 units of the fund. However, this information is not available because the fund is new.

Who is this fund for?

Consider this fund if:

- you want regular monthly cash flow from your Canadian investments with the potential for capital gains
- you are comfortable with low to medium investment risk (i.e., you are willing to accept some fluctuations in the market value of your investment).

Series T6 units are suitable for investors holding securities outside of a BMO registered plan and wishing to receive monthly distributions.

A word about tax

In general, you'll have to pay income tax on any money you make on a fund. How much you pay depends on the tax laws where you live and whether or not you hold the fund in a registered plan such as a Registered Retirement Savings Plan or a Tax-Free Savings Account.

Keep in mind that if you hold your fund in a non-registered account, fund distributions are included in your taxable income, whether you get them in cash or have them reinvested.

How much does it cost?

The following tables show the fees and expenses you could pay to buy, own and sell Series T6 units of the fund. The fees and expenses, including any commissions, can vary among series of a fund and among funds. Higher commissions can influence representatives to recommend one investment over another. Ask about other funds and investments that may be suitable for you at a lower cost.

1. Sales charges

You have to choose a sales charge option when you buy this series of the fund. Ask about the pros and cons of each option.

No Load. - You pay no sales or redemption charges if you buy, redeem or switch this series of the fund through BMO Investments Inc.

Sales charge option	What you pay		How it works
	in per cent (%)	in dollars (\$)	
Sales Charge	<ul style="list-style-type: none"> • 0-5% of the amount you invest. 	<ul style="list-style-type: none"> • \$0 to \$50 for every \$1,000 you buy. 	<ul style="list-style-type: none"> • The sales charge is negotiable between you and your representative's firm. • The sales charge is deducted from the amount you buy. It goes to your representative's firm as a commission at the time you purchase.

2. Fund expenses

You don't pay these expenses directly. They affect you because they reduce the returns of this series of the fund.

The fund's expenses are made up of the management fee, operating expenses and trading costs. This series' annual management fee is 1.45% of the series' value. Because this series is new, its operating expenses and trading costs are not yet available.

More about the trailing commission

The trailing commission is an ongoing commission. It is paid for as long as you own the fund. It is for the services and/or advice that your representative and/or their firm provide to you. BMO Investments Inc. pays the trailing commission to your representative's firm. It is paid from the fund's management fee and is based on the value of your investment. The rate depends on the sales charge option you choose.

Sales Charge Trailing Commission - 1.00% of the value of your investment each year. This equals \$10.00 each year for every \$1,000 invested.

3. Other fees

You may have to pay other fees when you buy, hold, sell or switch units of the fund.

Fee	What you pay
Short-term trading fee	0% to 2% of the amount that you redeem or switch if you buy or switch and then redeem or switch units of the fund within 30 days of purchasing or switching them. This penalty will be paid directly to the fund.
Switch fee	You and your representative can negotiate this fee. Currently the fee is up to 2% of the amount you switch.

What if I change my mind?

Under securities law in some provinces and territories, you have the right to:

- withdraw from an agreement to buy mutual funds within two business days after you receive a simplified prospectus or Fund Facts document, or
- cancel your purchase within 48 hours after you receive confirmation of the purchase.

In some provinces and territories, you also have the right to cancel a purchase, or in some jurisdictions, claim damages, if the simplified prospectus, Fund Facts document or financial statements contain a misrepresentation. You must act within the time limit set by the securities law in your province or territory.

For more information, see the securities law of your province or territory or ask a lawyer.

For more information

Contact BMO Investments Inc. or your representative for a copy of the fund's simplified prospectus and other disclosure documents. These documents and the Fund Facts make up the fund's legal documents.
